Dear Laura,

Congratulations! The South Carolina Midlands Chapter has been selected as the April 2008 ASTD Chapter of the Month.

This award recognizes your chapter for its many accomplishments, including Chapter Operating Requirements (CORE) achievement, Sharing Our Success (SOS) submission acceptance, and overall chapter strength, growth, and innovation.

Since the program's inception in 2003, ASTD chapter leaders have benefited from the shared knowledge and ongoing learning that the SOS program provides. The Chapter of the Month award is this program's highest honor.

Please convey my congratulations to your chapter members for their contributions to this success. Your excellent projects and programs benefit ASTD members, chapters, and ultimately, the workplace learning and performance profession.

Best wishes for continued success.

Regards,

Tony Bingham
President and CEO
